Word of the Month: Honesty

Dismissal Changes

Events happen for a variety of reasons which may require a change in your child’s dismissal for a day. When you do need to make a change and you have not sent in a note, please make sure you speak directly to the Administrative Assistant when calling the school office. It is not always possible for the administrative assistants to check the messages or emails prior to dismissal. Sometimes the classroom teacher is emailed; a teacher may not be able to read their emails prior to the end of the day, so please make sure you speak to someone in the office. You may then send a follow up email to your child’s teacher if you wish. As always, sending in a note with your child when you know in advance of a dismissal change is the best practice whenever possible. Thank you for your support.
